

Using The Bruce Williams Podcast in iTunes

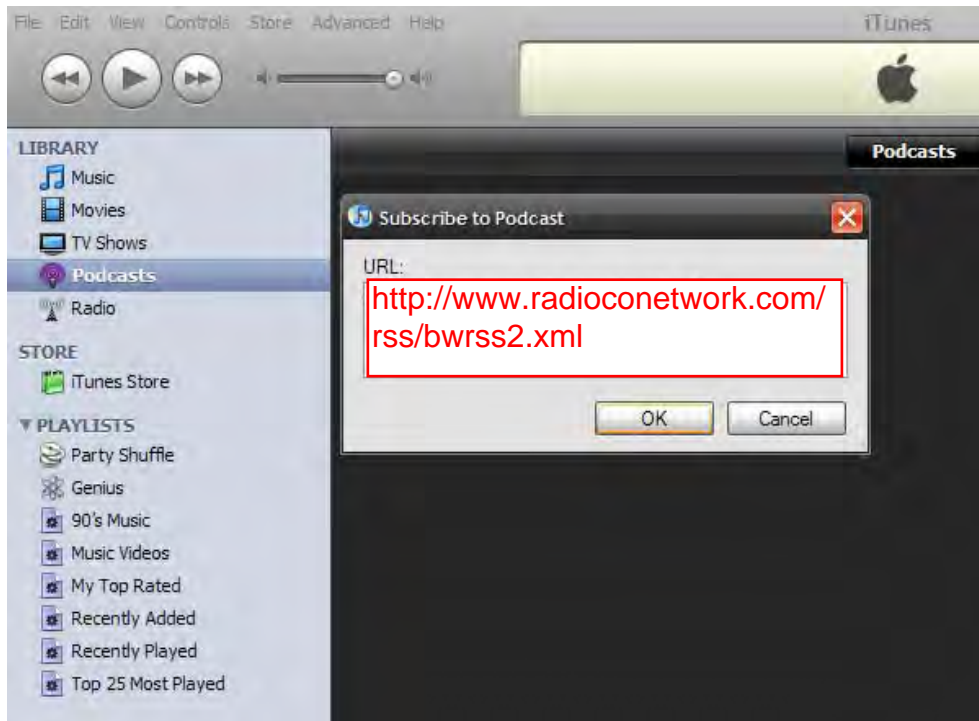

Here are the instruction on how to update your iTunes to receive the new Podcasts.

1. Open iTunes and choose “Podcasts” from the navigation bar on the left.

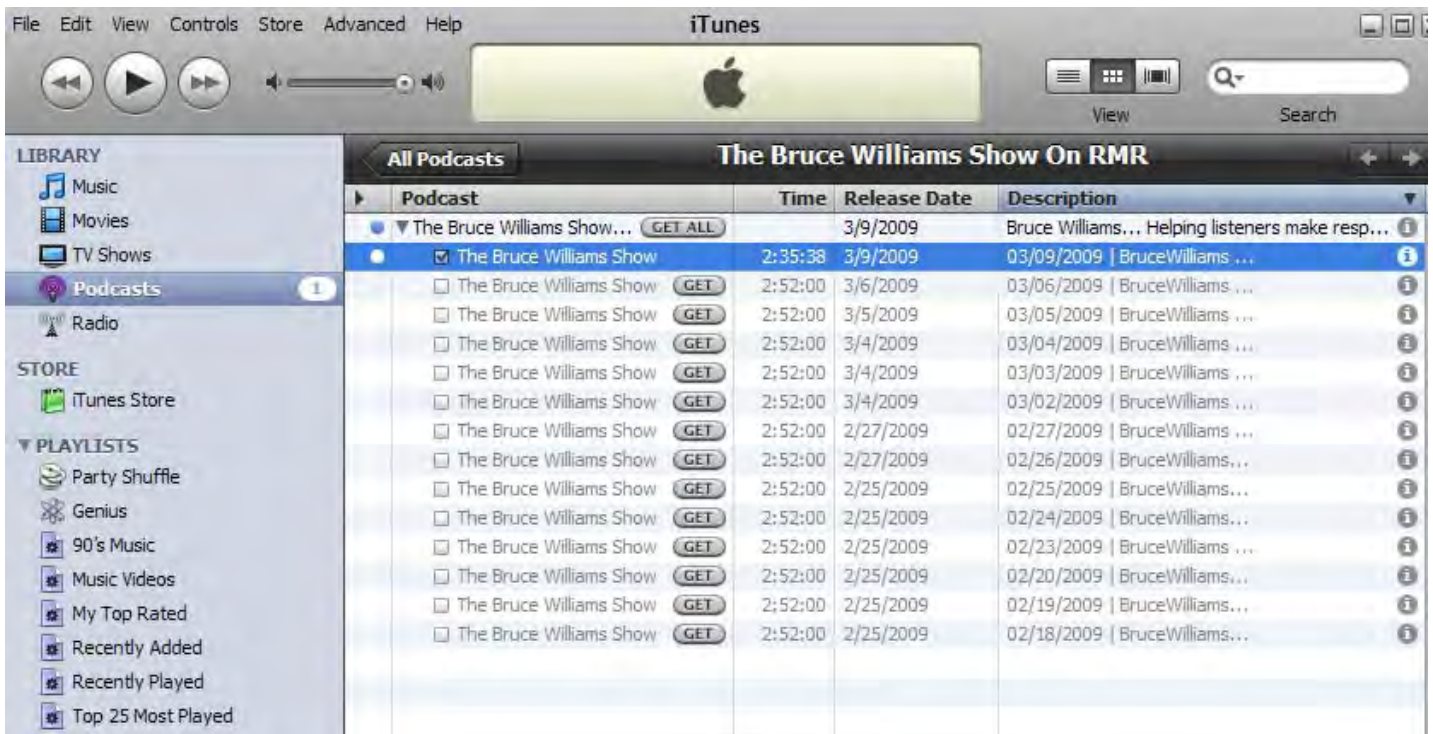

2. Go to the “Advanced” menu and choose “Subscribe To Podcast.”

3. Type in the URL “<http://www.radioconetwork.com/rss/bwrss2.xml>” (without any spaces) and hit “OK”

4. It will connect to the Podcast stream and show a screen like this one.

5. Success! You are now connected to the new Bruce Williams Show Podcast RSS feed. You can now delete the old one.
